The Legacy of Excellence: The Education Committee of The Maheshwari Samaj (Society), Jaipur

Since its inception in 1926, The Education Committee of The Maheshwari Samaj (Society), Jaipur, has been a beacon of educational distinction. With a relentless pursuit of excellence, the ECMS has carved an indelible legacy in the heart of the heritage city. Anchored in a clear vision and guided by meticulously crafted plans, the ECMS institutions have stood as paragons of unwavering faith and determination, setting an unparalleled standard in scholastic excellence.

Fostering a Vibrant Learning Environment

With an emphasis on critical thinking, decision-making, and intellectual humility, we foster a vibrant environment where the tapestry of diverse opinions is celebrated. Students are encouraged to blossom into well-rounded individuals. Beyond academics, the institutions instil deep-rooted values of cultural heritage, patriotism and Indian ethos, seamlessly integrating global perspectives into the educational experience. This holistic approach nurtures the socio-emotional, spiritual and physical dimensions of student personalities, shaping them into magnanimous, disciplined, and compassionate citizens.

Cutting-Edge Infrastructure for Holistic Development

Equipped with cutting-edge technology, smart classrooms, state-of-the-art labs, well-stocked libraries and expansive sports arenas, we are at the forefront of innovation in learning. Embracing the National Education Policy (NEP) and NCF framework, we are committed to fostering life skills. With a collaborative relationship with stakeholders, it is ensured that the institutions are evolving, preparing students for the dynamic challenges of the 21st century. With a deep sense of empathy for global issues, ECMS educates not just for academic achievement, but also for knowledge of a harmonious, interconnected world.

Prudent Pearls

Education is the most powerful weapon which you can use to change the world.

-Nelson Mandela

This powerful quote anchors our institution's commitment to delivering a truly transformative learning experience. Our ultimate objective is to equip students with far more than conventional academic knowledge; we strive to cultivate sharp critical thinking, global awareness and strong ethical leadership. By instilling a deep sense of purpose alongside academic rigor, we guide our pupils to recognize their individual capacity to make a meaningful difference in society.

Our comprehensive curriculum encourages young minds to tackle real-world challenges with courage, creativity and conviction. Through structured mentorship, collaborative learning and exposure to diverse perspectives, we foster a learning ecosystem where ambition meets responsibility. We firmly believe that every child possesses unique talents capable of shaping a brighter future.

Nurturing their innate potential and reinforcing essential human values, we prepare our graduates to step forward as compassionate, confident and proactive contributors to an ever-evolving global community.

Umesh Soni
President

Prudent Pearls

Educating the mind without educating the heart is no education at all.

-Aristotle

This foundational principle encapsulates the core philosophy of ECMS that intellectual growth achieves its true purpose only when grounded in moral character. Our educational vision is rooted in the conviction that intellectual achievement achieves its highest purpose only when guided by empathy, integrity and social responsibility. We design our daily school life—from classroom dynamics to athletics and community outreach—to nurture personal character alongside scholastic success. We cultivate a supportive, inclusive and respectful environment to help students in developing emotional intelligence, resilience and a genuine concern for the well-being of others.

Our dedicated educators mentor children to navigate complex ethical choices, encouraging them to treat peers with kindness and respect. We ensure that our students graduate not only with impressive academic credentials, but also as well-rounded, grounded and ethical individuals capable of making positive contributions to their families, workplaces and broader communities throughout their lives.

Nirmal Dargar
Vice President

Prudent Pearls

The important thing is not to stop questioning. Curiosity has its own reason for existing.

-Albert Einstein

This timeless insight reflects our commitment to creating an atmosphere where intellectual curiosity is actively celebrated and systematically nurtured. Rather than expecting students to passively absorb information, our educational approach centers on inquiry-based learning, active experimentation and open discussion. We build classroom environments that encourage children to ask meaningful questions, challenge assumptions and explore concepts deeply across all disciplines. Encouraging an exploratory mindset, we transform the learning process into an exciting, life-long adventure rather than a temporary scholastic requirement.

Our faculty serves as facilitators who guide students through hands-on projects, research initiatives and collaborative problem-solving exercises. This method builds intellectual resilience, as students learn to view mistakes as valuable stepping stones towards discovery. Ultimately, our goal is to graduate agile, forward-thinking individuals who possess the self-motivation, critical adaptability and enduring passion necessary to thrive in an increasingly complex world.

Kamal Somani
General Secretary (Education)

Prudent Pearls

What lies behind us and what lies before us are tiny matters compared to what lies within us.

-Ralph Waldo Emerson

This inspiring principle captures our foundational belief in the limitless potential present within every single student who walks through our doors. Our primary mission as an educational institution is to help children discover, unlock and refine their unique internal strengths, regardless of their starting point or past challenges. Through individualized attention, a wide range of co-curricular opportunities and dedicated academic support, we encourage pupils to look inward and build authentic self-confidence.

We create an environment where students feel safe to step out of their comfort zones, take on new intellectual and creative challenges and overcome personal self-doubt. By cultivating perseverance and a strong growth mindset, we ensure that every student recognizes their inherent worth and capability. We view our ethos as a promise to partner with parents in fostering self-reliance, emotional strength and character, preparing our youth to face future opportunities and uncertainties with unshakeable inner confidence.

Education is not merely the transmission of knowledge, but the deliberate awakening of purpose, intellect and character in every learner.

The Legacy of Excellence: The Education Committee of The Maheshwari Samaj (Society), Jaipur

Established in 1926, The Education Committee of The Maheshwari Samaj (Society), Jaipur, has consistently served as a hallmark of quality learning. Driven by a dedicated mission and strategic direction, ECMS has built an enduring reputation across the historic city, setting remarkably high benchmarks in academic leadership.

Nurturing a Dynamic Academic Culture

ECMS creates an engaging atmosphere that prioritizes analytical reasoning, confident decision-making and open-mindedness while respecting varied viewpoints. The institutions focus on developing well-rounded individuals by combining academic rigor with core Indian cultural values, national pride and a modern international outlook. This balanced methodology supports students' emotional, spiritual, physical and personal growth, preparing them to become responsible and empathetic members of society.

Modern Infrastructure Supporting Complete Growth

By incorporating advanced technology, digital classrooms, contemporary laboratories, extensive libraries and broad athletic facilities, ECMS remains ahead in progressive education. Fully aligned with the National Education Policy (NEP) and National Curriculum Framework (NCF), the organization places strong emphasis on essential life skills. Working closely with parents, educators and the community, ECMS continuously updates its approach to equip students for future global opportunities while inspiring them to contribute positively to a harmonious world

VISION

We envision serving as a beacon of innovation and creative excellence, empowering an ambitious generation of visionary thinkers, strategic problem-solvers and pioneering leaders. We inspire our students to transform revolutionary ideas into meaningful action, equipping them to shape the global landscape and leave an enduring legacy of positive impact.

MISSION

Our mission is to cultivate an intellectually vibrant educational sanctuary that kindles a lifelong passion for discovery, resilience and global competence. Through a steadfast commitment to the holistic development of both our students and faculty, we nurture intellect, character and well-being, enabling every member of our academic community to flourish with balance and distinction.

CORE VALUES

We are anchored by an unyielding dedication to integrity, honesty and accountability, ensuring that ethical principles guide every aspect of our institution. Prioritizing the physical, social and emotional well-being of our community, we foster an environment of transparency, mutual respect and holistic growth where authentic leadership can thrive.

Historic Milestones

Spanning more than a hundred years, The Education Committee of The Maheshwari Samaj (ECMS), Jaipur, has charted an exceptional path of academic distinction and educational leadership. Today, the academic centers managed by ECMS serve as benchmark institutions across the historic city and the wider state of Rajasthan, earning widespread recognition and high acclaim throughout the entire nation. This enduring legacy reflects a hundred-year commitment to scholastic rigor, community advancement and the continuous pursuit of knowledge.

The history of ECMS is marked by notable triumphs, consistently leaving a lasting imprint on generations of learners. Annually, its top-performing scholars secure admissions to India's most competitive and elite centers of higher learning-including AIIMS, IITs, NITs, NDA, IIMs and premier Law Universities-demonstrating their academic depth on a national scale. Furthermore, a substantial number of graduates routinely qualify for professional credentials such as Chartered Accountancy (C.A.) and Company Secretaryship (C.S.), while others earn admission to top-tier universities, underscoring the high standard of preparation provided to ECMS alumni.

The network of ECMS graduates is distinguished by leaders who excel across diverse sectors, constantly elevating their alma mater's reputation. At the core of the institution's philosophy, is identifying and nurturing potential through merit-based grants and honors for academic and co-curricular excellence. Complementing this, psychometric assessments and personalized guidance empower students to uncover their intrinsic strengths and chart informed future paths. This holistic approach is reflected in the steady stream of students securing prestigious national and state scholarships, such as KVPY and STSE.

Marking a century of continuous development, ECMS remains dedicated to preparing future leaders and advancing educational standards as a long-standing center of learning and accomplishment.

THE LEGACY OF ECMS

"Excellence is never an accident;
it is always the result of high intention, sincere effort and intelligent execution.

NEP 2020

Aligning seamlessly with the National Education Policy (NEP) 2020, ECMS institutions cultivate a progressive, learner-centric ecosystem that transcends traditional rote learning. By placing holistic student development at the heart of its educational philosophy, ECMS integrates experiential learning, critical thinking and creative problem-solving into daily instruction. Classrooms are transformed into dynamic hubs where life skills, emotional intelligence and interdisciplinary understanding are nurtured alongside core academic competencies. Through continuous pedagogical innovation and competency-based education, ECMS ensures every learner is empowered with the adaptability, character and intellect required to navigate an evolving global landscape.

CEC

The Centralized Examination Cell (CEC) at ECMS Jaipur exemplifies academic integrity and precision by orchestrating standardized assessments across all constituent schools. Adhering rigorously to the CBSE assessment framework and its spot evaluation guidelines, the CEC enforces strict confidentiality throughout paper formulation, evaluation and collaborative answer key finalization. By distributing advance revision worksheets and administering uniform question papers for each grade level, the CEC guarantees absolute fairness, transparency and unyielding academic standards across Jaipur.

MERIT & SCHOLARSHIPS

Under the visionary aegis of ECMS, exceptional talent is systematically inspired, recognized and nurtured through a robust array of merit-based scholarships. Accomplishments across both scholastic and co-scholastic frontiers are celebrated with grand distinction, honoring the multifaceted capabilities of our student body. Equally dedicated to inclusivity and social upliftment, ECMS extends vital financial assistance and relief to deserving, underprivileged scholars. By removing economic barriers, ECMS reaffirms its core conviction that financial limitations should never impede academic promise, ensuring every child receives the opportunity to flourish and excel.

DIGITALISATION

Embracing the modern educational paradigm, ECMS institutions leverage cutting-edge technology to drive seamless administrative and pedagogical transformation. Through an advanced Enterprise Resource Planning (ERP) platform, the organization integrates real-time communication, academic tracking, resource management and interactive digital learning spaces into a single, cohesive infrastructure. This digital backbone streamlines institutional operations, enhances transparency between educators and parents and equips students with fluent, tech-forward learning experiences essential for the digital age.

AIMS & OBJECTIVES (COURSES OF STUDY)

At ECMS Institutions, we champion a 360-degree approach to education, fostering holistic growth through the guidance of seasoned, expert educators. Our meticulously crafted courses nurture both intellect and character, preparing students for a future of excellence.

GOALS AND ASPIRATIONS

- ☑ To impart high quality education based on our cultural heritage and modern insights so as to enable the girls to grow up into knowledgeable, refined and responsible citizens.
- ☑ To give education to all, irrespective of the caste, religion and community.
- ☑ To inculcate sound moral values, to revitalize ancient values and reintegrate them to mould the character in a manner that she becomes a committed citizen of the country.
- ☑ To provide opportunities to exhibit and develop their potential by numerous activities held in the school.
- ☑ To sow the seeds of tender love, affection and to nurture positive thoughts, so that there is devotion in service to mankind.

OUR EMBELLISHMENTS

LIBRARY

The school library is stocked with rich collection of books including a plethora of periodicals journals and interesting story books. Students are encouraged to read books which are treasure house of wisdom and experience of centuries.

CCTV

Safety of the students and discipline is the need of the hour. To maintain strict check and vigilance on all the areas of the school, close circuit cameras have been installed in the class rooms, labs, library and other activity rooms.

LABORATORIES

Our well-equipped laboratories in physics , chemistry and biology quench the curiosity of the students. The students are trained to face the challenges in life. Practical experience provides the foundation for building both theory and structured factual understanding.

INFORMATION TECHNOLOGY LAB

Computer aided learning has become imperative for the learners in the fast moving world. Keeping this in view air conditioned, well-furnished computer lab has been established.

ART AND CRAFT

Art is soul's food as much as learning is ration for mind. The young artists at MGSSS pursue their creative instincts under expert guiding hands.

SCHOOL BAND

The school band is in its complete rhythm. Now the school is echoing with new soothing sounds of music.

AUDITORIUM

An auditorium equipped with sound system, projector and lighting adorns the glory of our school.

SMART CLASSES

Audio Visual learning is the key to keep pace with the modern technology. Six LED board have been installed in the Primary Classes to make the teaching interesting and interactive.

SOLAR PANEL

Solar energy is a clean and sustainable source of power and a key solution to address energy and environmental challenges being faced by our planet. In order to beat the rising cost of electricity and to reduce the effect of green house gases and fight the climate change, Solar Panels have been installed in the school campus.

FIRE FIGHTING SYSTEM

The fire emergencies are unpredictable and saving lives from fire and preventing fire from spreading further is the first and foremost need. The school has braced itself with latest firefighting equipment.

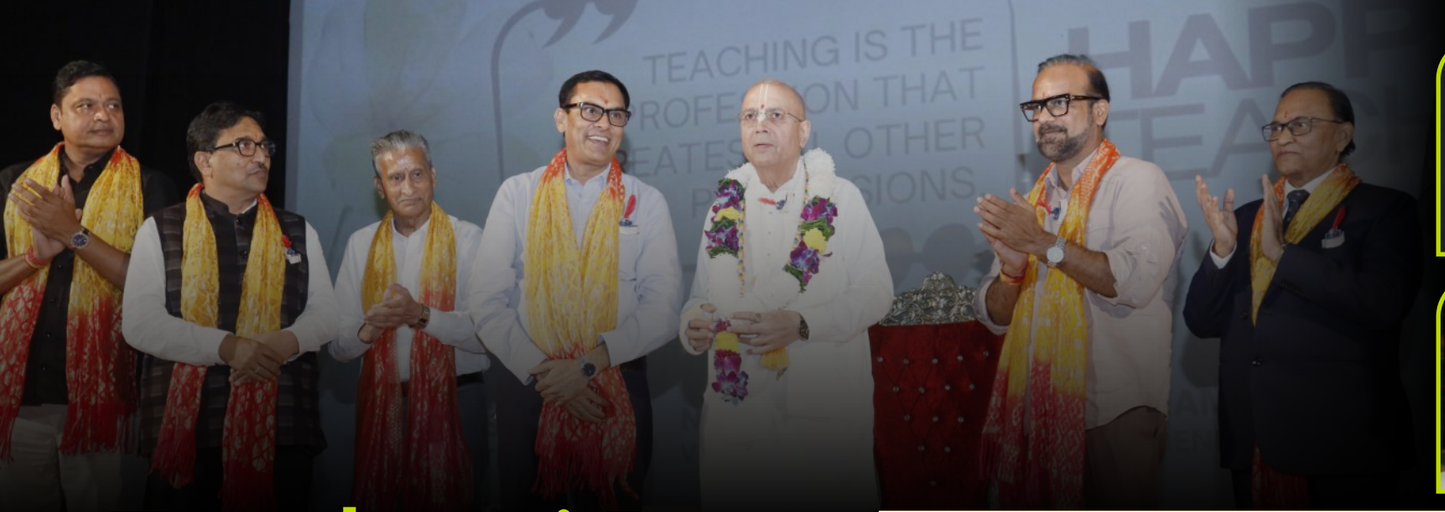
Echoes of Freedom : ECMS Celebrates Independence Day with Grandeur

On 15th of August, the ECMS hosts a breathtaking pageant of national pride, uniting distinguished luminaries to honour our nation's sovereignty and the legendary heroes who forged our freedom. This historic commemoration brings together prominent leaders and distinguished luminaries across various sectors to pay homage to the heroic champions who sacrificed everything to forge our sovereign country. Through soul-stirring musical tributes and poignant addresses, the gathering reignites an enduring pledge to uphold the noble ideals of our freedom fighters. This year's grand celebration at MPS Tilak Nagar witnessed the gracious presence of the Chief Guest RSS Jaipur Prant Pracharak Shri Babulal Ji and Special Guest IAS Dr. Nitesh Sharma. Their soul-stirring addresses deeply motivated over 500 enthusiastic students to channel discipline, wisdom and patriotic fervor into their lives and academic pursuits. The unveiling of the AI and Robotics Lab alongside a vibrant new library added another plume to the illustrious crown of the ECMS. The campus came alive with vigorous parades, band performances and cultural tributes, reigniting an enduring pledge towards human welfare and national excellence.

REPUBLIC DAY: PULSE OF THE NATION

On the 26th of January each year, ECMS observes Republic Day with exceptional majesty and devotion, reaffirming the academy's deep-rooted civic allegiance and steadfast commitment to constitutional ideals. Esteemed guests from all walks of life grace the proceedings. This year the 77th Republic Day celebration was observed with a great fervour, uniting scholar delegates from all its campuses under the theme "150 Years of Vande Mataram & Aatmanirbhar Bharat".

The ceremonial unfurling of the tricolour was led by Chief Guest Hon'ble Mr. Justice Ashok Kumar Jain (Rajasthan High Court) and Special Guest Shri Jaswant Khatri (Regional Work Carrier, RSS), alongside ECMS office bearers Shri Umesh Soni, Shri Nirmal Dargar, Shri Kamal Kishore Somani, Shri Arun Maloo, CA Rohit Maheshwari, and CA Sanjay Bangar. Highlights included an NCC parade, live band and vibrant cultural presentations-"Samvidhan Se Swabhiman Tak" and tableaux on "Viksit Bharat aur Virasat"-showcasing India's rich heritage, constitutional ideals and journey towards national excellence.



Teachers' Day

Honouring The Guiding Lights

On September 5th annually, the Education Committee of the Maheshwari Samaj (ECMS), Jaipur, spearheads a magnificent celebration of Teachers' Day-a pivotal occasion devoted to exalting the educators of ECMS Institutions for their unmatched contributions to the continuous advancement, evolution and triumph of the academic family. An atmosphere of profound reverence sweeps through the venue as the Samaj assembles to acclaim the guiding lights moulding tomorrow's trailblazers, uniting sincere honours, vibrant creative presentations and uplifting addresses as an emblem of the society's deep respect for mentorship. Marking this year's landmark assembly at the Takshashila Auditorium of MPS, Jawahar Nagar, the ceremony opened with floral tributes to Dr. Sarvepalli Radhakrishnan and Vedic chanting, graced by Chief Guest Sant Shiromani 'His Grace' Shri Vrindavan Chandra Das (founder of GIVE), who shared profound insights on self-realization, alongside Guest of Honour senior CA Prakash Chandra Parwal and the esteemed dignitaries of the ECMS. The major highlights of the event were a spellbinding student orchestra, dance performance depicting Lord Vishnu's Dashavatar as well as special honours bestowed upon educators. The gathering stood as a salute to the selfless zeal of educators sculpting the nation's future.

A Monumental Dream : A Visionary Era of Philanthropy & Human Welfare-MIMS

Driven by a noble vision to elevate human welfare and transform regional healthcare, The Education Committee of The Maheshwari Samaj (Society), Jaipur of Shree Maheshwari Samaj, Jaipur has embarked on a historic philanthropic journey with the foundation laying of the Maheshwari Institute of Medical Sciences & Research Centre (MIMS) at Ganpatpura, Mansarovar. Graced by the benign presence of distinguished dignitaries including Lok Sabha Speaker Shri Om Birla, Shree Cement Chairman, Shri Hari Mohan Bangur and Akhil Bharatvarshiya Maheshwari Mahasabha President Shri Sandeep Kabra. This ambitious, 600-crore mega-project stands as a magnificent step toward social empowerment, spanning an impressive structure featuring a 3-storey basement and 11 floors. MIMS will house a state-of-the-art 600-bed multi-specialty hospital alongside premier nursing and paramedical colleges, complemented by a serene Lord Mahesh temple spread across 2,000 square yards. Envisioned for completion within two years, this monumental sanctuary of healing promises to provide world-class, affordable healthcare to over 500,000 residents across urban and rural Jaipur, while generating thousands of direct and indirect employment opportunities-epitomizing true compassionate service and enduring community dedication.

INTERNATIONAL YOGA DAY

UNIFYING BODY, MIND AND SPIRIT

Under the aegis of the ECMS, all sister concerns celebrate International Yoga Day on June 21st, every year epitomizing a shared, unwavering dedication to holistic wellness across the entire community. This sacred occasion brings together an esteemed assembly of scholars, institutional guardians, wellness enthusiasts, and revered figures of the Maheshwari Samaj, all aligned in pursuit of inner equilibrium and somatic harmony. Guided by distinguished yoga practitioners, participants engage in a series of revitalizing asanas designed to fortify physical vitality while instilling profound mental clarity. The gathering serves as an enduring testament to the institution's ongoing mission to cultivate intellectual clarity anchored in physical wellness. Through every intentional posture and rhythmic breath, the spirit of holistic health flourishes, underscoring a deep-seated devotion to the well-being of all stakeholders. Vibrant yet deeply serene, this annual retreat empowers all present to embrace daily life with restored vigor and grace.

A Legacy of Compassion :

Mega Medical Camp

Demonstrating a deep sense of social responsibility and philanthropy, Shri Maheshwari Samaj, Jaipur, organized a high-impact Mega Medical Camp on July 26, 2026, at the 'Utsav' Community Centre. Held in the sacred memory of Late Shri Radhakishan Ji Malpani, this thoughtful initiative provided free expert health screenings and specialist consultations to nearly 600 beneficiaries.

Organized in collaboration with premier healthcare partners like ECMS Jaipur, Manipal Hospital, Bhagwan Mahaveer Cancer Hospital, and ASG Eye Hospital, the camp featured multi-speciality care, mammography, cancer screening and life-saving CPR training. Through meticulous leadership and selfless service, ECMS showcased exemplary civic responsibility, setting an inspiring benchmark of community health and humanitarian values for our students.

The Education Committee of The Maheshwari Samaj (Society), Jaipur, successfully organized RISE (Rewarding Intelligence via Scholarship for Education), a premier MCQ-based talent hunt competition designed to identify, inspire and elevate academic brilliance. Functioning as a prestigious gateway to scholastic excellence, this comprehensive talent search provided ambitious scholars a platform to demonstrate their intellect and earn substantial financial backing, awarding coveted scholarships worth up to Rs. 2,00,000/- per student. Beyond these grand merit grants, all qualifying candidates were honoured with official certificates of recognition, while top performers were recognized with special awards. Held on Sunday, March 22, 2026, with an accessible registration fee of just Rs. 100/-, RISE empowered promising minds to unlock their potential and secure a distinguished pathway toward future success under the aegis of ECMS.

RISE 2026

UNLOCKING FUTURE POTENTIAL

FDP 2026

A Grand Conclave of Learning, Innovation, and Self-Development

ECMS Jaipur annually reinforces its commitment to professional growth through its flagship Faculty Development Program. Serving as a beacon of pedagogical transformation, this initiative equips educators with modern tools, reflective practices and future-ready methodologies to foster engaging classroom environments.

The FDP-2026 edition-held from June 15 to 20 - exemplified this spirit on a grand scale. Bringing together nearly 900 educators across 33 high-impact sessions at seven parallel venues, the six-day conclave featured nationally acclaimed experts addressing AI in education, digital technology, mental well-being, Happy Classrooms and storytelling.

Seamlessly integrating 50+ hours of mandatory CBSE training with self-assessment, this annual event stands as an exemplary model across Rajasthan. ECMS reaffirms that educational excellence stems not merely from infrastructure, but from empowered, lifelong learners dedicated to building a stronger nation.

THE ECMS PROFESSIONAL GROWTH MODEL-ATCA-2026

In the contemporary era, Artificial Intelligence (AI), digital technology, the National Education Policy-2020 (NEP-2020) and 21st-century skills have transformed the educational landscape. Educators are no longer mere transmitters of knowledge, but facilitators of learning, pioneers of innovation and lifelong learners. Realizing this visionary approach, ECMS has presented an exemplary model for teacher empowerment.

With an objective to evaluate the tangible impact of Teachers' training, the Annual Teacher Competency Assessment (ATCA-2026) was conducted online on July 4, 2026. A total of 844 teachers and academic professionals across 10 ECMS institutions participated, with an outstanding 99.5% achieving exceptional results—demonstrating their professional competence and dedication to educational excellence.

Spanning from pre-primary to senior secondary levels as well as administrative leadership, this comprehensive initiative underscores ECMS's steadfast commitment to continuous professional development and high-quality education.

Youth Power Against Addiction

Taking a bold and timely stance on International Youth Day, the Education Committee of the Maheshwari Samaj organized a transformative Nasha Mukti Abhiyan to safeguard the future of young minds. Designed to raise critical awareness about the perils of substance abuse, the movement empowered students to prioritize health, ambition, and purposeful living.Distinguished spiritual leaders from Brahma Kumaris delivered an inspiring address, guiding the youth toward mental strength, discipline and positive habits. The students took a collective pledge to renounce all forms of addiction and remain steadfastly dedicated to their academic and personal goals. ECMS's proactive endeavor marks a visionary leap toward building a drug-free, healthier and brighter tomorrow.

PATHFINDER - 2026

The Education Committee of the Maheshwari Samaj (Society), Jaipur (ECMS), proudly introduced Pathfinder-2026, a pioneering Online Psychometric Assessment & Career Guidance Programme for students of Classes IX to XII.

This comprehensive initiative is meticulously designed to measure student aptitude, core interests, personality traits and decision readiness. By bridging self-awareness with academic paths, the programme empowers students to align their natural inclinations with informed, future-proof career choices.

This forward-thinking initiative by ECMS reflects a tenacious commitment to holistic student development, ensuring every child steps into the future with confidence, clarity and purpose.
